

DLH DG 8 RSF20.25 V2A (223 011)

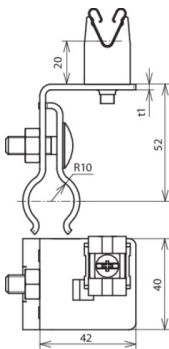

Figure without obligation

| Type                                          | DLH DG 8 RSF20.25 V2A |
|-----------------------------------------------|-----------------------|
| Part No.                                      | 223 011               |
| Material of roof conductor holder             | StSt                  |
| Material thickness (t1)                       | 2.5 mm                |
| Clamping range                                | Ø20-25 mm             |
| Type of conductor holder                      | DEHNgrip              |
| Height of conductor holder                    | 20 mm                 |
| Material of conductor holder                  | StSt                  |
| Conductor support Rd                          | 8 mm                  |
| Conductor routing                             | loose                 |
| Screw                                         | ⬆ M8 x 25 mm          |
| Material screw / nut                          | StSt                  |
| Standard                                      | EN 62561-4            |
| Weight                                        | 167 g                 |
| Customs tariff number (Comb. Nomenclature EU) | 85389099              |
| GTIN                                          | 4013364092785         |
| PU                                            | 50 pc(s)              |

We reserve the right to introduce changes in performance, configuration and technology, dimensions, weights and materials in the course of technical progress. The figures are shown without obligation.
